(d) if so, the details thereof, indicating the action of Government to address this issue?

THE MINISTER OF TOURISM (SHRIMATI AMBIKA SONI): (a) Yes, Sir.

However, it is generally recognized that Orissa, with its great treasures of art, architecture and rich cultural heritage, *viz.*, festivals, dances, handicrafts, its rural countryside, wildlife and beautiful beaches, etc. spread throughout the State, has immense tourism potential to improve foreign and domestic tourist visits with better tourism infrastructure such as hotels, road, rail and air connectivity and vigoruous promotion and marketing efforts.

(c) and (d) No representation has been received by the Ministry from the hotel industry of Orissa in this regard. The Ministry of Tourism is, however, committed towards promotion of different tourism products, including International Conferences, Exhibitions and Meetings in all the States of the country, including Orissa. The India Convention Promotion Bureau (ICPB), which has members from travel trade industry, is a non-profit organization sponsored by the Ministry, with the objective to promote India as an ideal destination for International Conferences and to assist organizers with the bidding and management of International Conferences and Conventions. The Ministry of Tourism also helps the States in organizing fam tours of foreign tour operators for better marketing of State tourism products.
